

SOUND HEALS!

Join an Active Soul Voice® Concert in DK

Saturday June 29, 2024

**Launching Active Soul Voice® Sound Healing Concert
in 'Koncertkirken' ('the Concert Church'), Copenhagen
@ 19.30 - 21.30**

Facilitated and performed by:

Asger Steenholdt, Yasmin Steenholdt, Certified Soul Voice® Practitioner,
Astrid Nora Lossi, Soul Voice® Practitioner in Training and
Karina Schelde, Founder of the Soul Voice® Method.

Come and JOIN US in an active sound healing concert where one can relax by receiving healing sounds from the performers with a possibility also of contributing with one's own voice for a part of this journey.

You can participate no matter your background: 'If you have a voice you can sing and sound' ~ come and play!

Poems will be interwoven into the sound healing 'songs' allowing the audience to listen more deeply, which will then be followed by spontaneous sounding. This liberating expression can provide an uplifting experience of clearing and cleansing the body, mind and spirit in a safe and guided environment.

The sounds which are expressed are not necessarily harmonious and can be dissonant. In the Soul Voice® method it is not possible to express a wrong sound or a false note; all sounds have a message for us.

It is our intention that this experience will open the audience to a greater awareness of the immense healing power that is hidden in the human VOICE.

Restore and rejuvenate and feel supported by a unifying collective field!
